LOCS: Logical Control System

La sicurezza e la serenità non sono più un privilegio.

LOCS è l'innovativo sistema di apertura e chiusura wireless che offre a tutti la massima protezione di oggetti personali e dati sensibili. Introdotto nelle nuove collezioni BOING, JOB e TIRAMISU, oltre che nelle classiche cassettiere standard, sarà poi disponibile in numerose configurazioni di contenimento.

Safety and serenity are no longer a privilege.

LOCS is the innovative wireless opening and closing system that offers everyone the maximum protection of personal objects and sensitive data. Featured with the new collections BOING, JOB and TIRAMISU, as well as in the classic standard drawer units, it will be available in numerous storage configurations in a second moment.

La sûreté et la sérénité ne sont plus un privilège.

LOCS est le système innovant d'ouverture et fermeture wireless qui offre à tout le monde la protection maximale des objets personnels et données sensibles. Il a été introduit dans les nouvelles collections BOING, JOB et TIRAMISU (au-delà que dans les caissons standards classiques) mais il sera aussi disponible en autres nombreuses configurations.

Office

Coordinabili con tutte le collezioni di arredi About Office, le nuove linee di cassettiere con sistema di serratura elettronica wireless LOCS coniugano qualità estetica, affidabilità e funzionalità a prezzi competitivi. LOCS, il nuovo concetto di sicurezza che garantisce benessere nell'ambiente di lavoro.

Coordinated with all the collections of furniture About Office, the new lines of pedestals with drawers including wireless LOCS electronic lock system combine aesthetic quality, reliability and functionality at competitive prices.

LOCS, the new concept of safety that guarantees well-being in the workplace.

Les nouvelles lignes des caissons avec système de serrure électronique wireless LOCS, se coordonnent avec toutes les collections About Office et elles conjuguent qualité esthétique, fiabilité et fonctionnalité à des prix compétitifs.

LOCS, la nouvelle conception de sûreté qui garantit bien-être dans l'espace du travail.

Home

Cassettiere dal design ricercato diventano dispositivi personali di custodia, grazie all'introduzione dell'innovativa tecnologia wireless con sensore di vicinanza LOCS. Realizzate con materiali pregiati e colori di tendenza, curate in ogni dettaglio, sono una soluzione d'avanguardia per l'ambiente domestico e l'home-office.

Pedestals with drawers with a sophisticated design become personal custody devices, thanks to the introduction of the innovative wireless technology with LOCS proximity sensor. Made of quality materials and available in trendy colours, attention to every detail, they are a cutting-edge solution for the home environment and the home office.

Caissons du design recherché deviennent personnels dispositifs de garde, grâce à l'introduction de la technologie innovante wireless avec capteur de proximité LOCS. Ils sont réalisés avec matériels estimés et couleurs de tendance et soignés en chaque détail; ils sont donc une solution d'avant-garde pour l'espace domestique et pour "l'home-office".
